Professional SUMMARY

AI Engineer with hands-on experience in developing AI-driven solutions and data analysis.
Certified in Python programming, database fundamentals, and artificial intelligence.
Trained in data analysis, AI applications, and cybersecurity within the telecom and IT sectors.

Professional experience

AI Engineer & Co-Founder

AI MedSolutions | Jan 2025- Present

•

AI & Data Analysis Intern

Telecom Egypt (WE) | Training Program

- Gained hands-on experience in data analysis and AI applications within the telecom industry.
- Worked on analyzing large-scale customer datasets to extract insights.
- Developed AI-driven solutions for customer behavior prediction.

Cybersecurity Intern

My Communication | Training Program

- Acquired knowledge in cybersecurity fundamentals and network security.
- Conducted vulnerability assessments and learned about threat mitigation strategies.
- Gained hands-on experience with security tools and frameworks.

education

Education

Bachelor of Computer Engineering

Alexandria University | 2021- 2026

Specialization: Artificial Intelligence & Machine Learning

Thesis: " "

GPA: ___/4.0

Certifications

- Python Certification - ITI
- Database Fundamentals - ITI
- Artificial Intelligence - MEC Academy

technical skills

- Programming: Python, C++, SQL, JavaScript
- Frameworks: TensorFlow, PyTorch, Keras, Scikit-learn
- Data Analysis Libraries: NumPy, Pandas, Matplotlib
- Soft Skills: Team Leadership, Problem Solving, Public Speaking

Languages

- Arabic: Native
- English: Intermediate
